

Ref. 9735 CONNECTION BRACKET LAMP KIT

DESCRIPTION

Kit of spare parts that includes the lamp and the lamp holder (base) for the pushbuttons of CityClassic outdoor panel.

CityLine Classic is the "continuous profile" outdoor panel line for buildings.

The outdoor panels are manufactured in anodized aluminium, highly resistant to rough weather and climate changes.

The panel design stands out for its curved-convex profile. A cellular rubber airtight seal included assures a perfect panel-to-wall fit to prevent water filtrations.

Available in several colours: aluminium, golden or bronze and white.

TECHNICAL FEATURES

- Lamp consumption: 70 mA.
